Judgment

Koshy,J.

This is a petition for police protection. According to the petitioners, respondents 3 to 6 are threatening them and family members on the allegation that they cheated in arranging visas. We are not going into the merits of the allegations in a petition under article 226 of the Constitution of India. However, we dispose of the writ petition directing the police to see that law and order is maintained. If any crime is registered, police is free to investigate the same according to law.
